Commissioner

ROGER BEARDEN, J.D.
Executive Deputy Commissioner

**Attestation of Participation in Interim Visitation Program
at OPWDD Certified Residential Facilities**

Provider Agency Name:	Springbrook NY, Inc
Address:	105 Campus Drive Oneonta, NY 13820

The submission of this signed document by the agency to quality@opwdd.ny.gov informs OPWDD that the above certified residential sites will participate in the visitation program in effect on or after June 19, 2020. The agency must attest to its ability to adhere to the following requirements:

Initial each box

- PEK The facility sets the appropriate hours during which visitation may occur, based upon the size and needs of the home, staffing available, and ability to implement appropriate disinfection between visits;
- PEK All visits must be scheduled ahead of time and approved by the provider agency. Visits shall be staggered so as not to have multiple families visiting in a shared space at one time and to ensure adequate time to clean any common areas or high touch surfaces between visits. Providers should be cognizant of the time spent visiting in order to maximize access to visitation by all residents;
- PEK All other residents should be notified ahead of time that visitors will be present and advised how to remain socially distant from them;
- PEK Providers should thoroughly discuss the potential risks and benefits of the visitor’s presence with the visitor and the resident ahead of a scheduled visit;
- PEK Visitors should be limited and, where multiple visitors are permitted, then such visitors should be, to the extent possible, members of the same family or household;

- PEK All visitors should be 18 years of age or older, except in rare exceptions as determined by the facility;
- PEK Prior to each scheduled visit, visitors must undergo symptom and temperature checks by facility staff and shall be denied visitation if they report any COVID-19 exposure or symptoms during the prior 14 days, or have a temperature over 100.0 degrees Fahrenheit;
- PEK Visitors must be provided a face mask if they do not arrive with one and that mask must be properly worn throughout the entirety of the visit when social distancing cannot be maintained;
- PEK Visitors who refuse to wear a face mask must be asked to leave the facility;
- PEK Visitors must sanitize their hands upon arrival and perform meticulous hand hygiene throughout the visit;
- PEK Visitation is encouraged to occur outdoors if weather permits, with masks worn by all parties when social distancing cannot be maintained;
- PEK Visitation exercised inside the facility shall only occur in a designated area where disinfection, social distancing, and separation from other residents can be safely implemented;
- PEK Visits may occur in single bedrooms, ideally. Visitors must remain in the resident's room throughout the visit except when directed by staff to leave;
- PEK Visitation remains prohibited anywhere except within sight of the residential facility and shall not include sitting in a non-agency vehicle or leaving the premises unmonitored by staff;
- PEK Visitation must not occur with any individuals who are currently in quarantine due to exposure for COVID-19 or isolation for a positive COVID-19 test;
- PEK Providers must notify visitors, at the time they are scheduling a visit, whether there are any positive or suspected cases of COVID-19 in the home;
- PEK Any areas of the facility utilized by the visitor(s) shall be disinfected immediately following the visit; and
- PEK Facilities shall maintain a daily log of all visitors, which shall include names and contact information, as well as the location within the facility/property that visitation occurred.

All facilities opting to allow visitation under this guidance reserve the right to impose additional restrictions, upon notice to and approval by OPWDD. Additionally, any facility opting to allow visitation under this guidance reserves the right to cease participation and end visitation access while visitation restrictions otherwise remain in place, upon notice to OPWDD at quality@opwdd.ny.gov.
